(i) README.md / abc / my-project
  You, 5 minutes ago | 1 author (You)
1 My name is Ranjitha.I am studying BTech in computer science and Engineering.This repository is
  created to showcase my technical skills,projects,learning progress,and achievements.
2 #skills
3 - Java
4 ##Intrests
5 - Web Development
6 ##Goal
7 - Become a successful software engineer
8 ## Projects
9 I am Working on a 2D Graphics Editor project using programming concepts and github
```

The image shows a Visual Studio Code interface. On the left is the Explorer sidebar showing a project structure with files like `activity 1`, `Test.class`, `Test.java`, `test.py`, `activity 3`, `Activity-1-Dev-Envir...`, `hello-world-outpu...`, `hello.c`, `.gitattributes`, `hello.c`, `hello.exe`, and `README.md`. The main area is the Terminal, which has tabs for Problems, Output, Debug Console, and Terminal (selected). The terminal output shows a series of git commands and their results, including adding files, committing, and logging. It ends with an error message about a failed git push and a failed nslookup command.
